Natura Bissé Recover Oxygenating Facial

Infuse every pore with a blast of pure oxygen.

A facial treatment for those showing evident signs of epidermal congestion due to exposure to toxins

and pollutants. Big city-goers, frequent flyers and smokers can benefit greatly from this treatment. Our light-as-air formula penetrates the skin and releases pure oxygen molecules into the epidermal layer to re-energize natural cellular functions and eliminate toxins. A deep oxygenation and breathing massage further decongests body and mind.
